Plants are guaranteed healthy and quality as represented. Claims must be made within five days so that adjustments can be made promptly.

Plants are guaranteed true to name; if found not to be true, we will replace them or refund the money paid.

We will replace any plants that fail to survive one growing season if the purchaser is convinced that we or the plants are at fault, and report of the failure is made promptly. Cost of transportation and planting will be borne by the purchaser. This offer does not apply to trees over 4 inches in caliper.

We will gladly quote prices on sizes larger than listed in the price list. On large sizes selected specimens, caliper as well as height will govern the price.
